Dear Sir,

June 15, 2005

I have been having a problem with Mr. Strade from Education in regards to getting a copy of Program Statement 28 CFR ChV 541.2-541.40 for an upcoming DHO hearing. Mr. Strade will not and refuses to supply me with a copy of this P.S. at my expense. WE are not allowed to remove any books or P.S. from the law library which is just an empty ^{cell} room with ^{misc} old books and I do not steal or rip pages out of books. Mr. Strade didn't have a problem charging me @ \$25.00 Dollars for some court papers ^{a month ago} but will not supply me with 2.00 of copies. I submitted a BP 8 but BP 8 do not get processed when inmates are in the shoe and your BP 9 will get ^{Rejected} Denied if you haven't filed an 8. I have not seen my counselor for 3 months down here so how can I be afforded a remedy if one cannot see the counselor.
